

The Flame of Love of the Immaculate Heart of Mary Movement

The HISTORY of its spread to IRELAND

The Flame of Love Movement has recently been exploding around the world bringing a powerful force of renewal. In 2020 a small group of devotees made contact with John Sullivan, *International Director of Communication and Dissemination* in the USA seeking support for Ireland. With the help from our brothers and sisters abroad (and in the middle of COVID lockdowns), Our Lady's Flame of Love Movement was ignited in Ireland.

On the 7th May 2022, the Irish Apostolate of the Flame of Love of the Immaculate Heart of Mary held its first All-Ireland, National Conference in Newry and introduced its First National Director who was appointed by the Movement's International Coordinator, Győző Kindelmann (grandson of Elizabeth Kindelmann). Our Lady's Movement now has its first leadership team in place. Please see our Contact Page for more on Our Lady's Helpers.

Since then there has been much work taking place but there is still much work to be done for Ireland. We would welcome more *hands gathered in unity* (and prayer!) to assist in Our Lady's mission to spread her Flame of Love. Please let us know if you would like to help in any way.
